

Service Procedures & Service List

Bahrain Cultural Office in Beijing

- **Student Registration**

- Opening an official student file and recording all personal and academic data.
- *Requirements:* Passport copy, valid entry visa, and current residence status documentation.

- **Update Personal and Academic Data**

- Maintaining accurate records for student housing, contact details, host university, academic program, visa/residence status, or study status updates.
- *Requirements:* Official university registration certificates or change notices.

- **Academic Follow-Up**

- Continuous monitoring of students' academic progress, attendance records, and enrollment status.
- *Requirements:* Submission of regular academic transcripts and progress reports from the host institution.

- **Change of Major Requests**

- Submitting and processing formal requests to alter a student's academic specialization.
- *Requirements:* Prior official approval from the Ministry of Education and formal acceptance from the university program.

- **Transfer between Universities or Programs**

- Managing the administrative transition when a student moves to an alternative university or academic program within China.
- *Requirements:* Official university release letters and new admission notices.

- **Official Letters and Certificates**

- Issuing formal administrative letters or certificates for various official purposes, including visa extensions, local banking requirements, or external authorities.
- **Document Verification and Attestation**
 - Verifying, reviewing, and attesting academic documents, degrees, and transcripts to ensure compliance and official recognition.
 - *Requirements:* Submission of original documents along with all relevant institutional verification records.
- **Coordination with Universities**
 - Managing official correspondence with Chinese universities regarding student academic records, administrative hurdles, or specific registration matters.
- **Coordination with Official Entities**
 - Facilitating direct communication with Bahraini ministries or foreign authorities when official referrals, clarifications, or support are required.
- **Graduation Follow-Up**
 - Assisting final-year students through graduation procedures, processing final exit documentation, and verifying graduation certificates.
- **Pre-Arrival and Post-Arrival Guidance**
 - Providing comprehensive orientation and general guidance to students preparing to study in China or newly arrived in the country.
- **Emergency and Special Cases**
 - Providing immediate, dedicated assistance to students facing urgent health, legal, personal, or humanitarian emergencies within the scope of the Cultural Office.
